Alumni Association Newsletter & Membership Roster

Vol I, No 2

April, 1982

PRESIDENT'S CORNER

Our association is growing in size and effort. We are becoming increasingly involved in projects which serve the command and our association. Some of these active programs will be discussed elsewhere in this newsletter, and we believe you will be proud of the these efforts as we move along.

We are moving into the second half of our first year with a pledge to serve our association, the command and the USAF. In so doing we must provide you our membership with tangible results so that you will again be a member next year. Please let us know what we can do to keep that pledge and specifically what you want. Along these lines, we can always use some help in many efforts. Give us a call and some of your time. You will enjoy it.

We now have an office in building 2012 on Security hill. Initially we will will man it two half days a week. We will be opened from 0900-1200 hours on Tuesdays and Thursdays beginning the first week of May. We will have to announce our telephone number once it is installed. For the time being our mailing address is the same: 6960th ESW Commander, Attn: USAFSS/ESC Alumni Association, Kelly AFB, Tx. 78243. Incidentally George Parr our Administrative board director has done a good job getting us set up and the 6960 ESW folks have been great.

We have had some comments about the name of our Assqociation. Some say that the term alumni is not a good choice. As some of you know the NSA folks name their association which is similar to ours" The Phoenix Society." Kinda classy. Perhaps we should rename ours. Please send us some of your thoughts and ideas.

As you know we will hold an annual meeting in September of each year to elect the new association officers, to receive briefings from the command, some visits to local units, a golf tournament, a major social, other goodies which will be announced as things finalize and, of course, to celebrate the founding of USAFSS and ESC. Plan to be here for this big affair. By the way Bill Bowers is chairman of our nominating committee and the names on the ballot will appear in the newsletter in July. Absentee balloting and write-in candidates will be accepted in accordance with our constitution and by laws (published in the last newsletter).

This edition contains a roster of all members of our association as of 15 April 1982. We promised you a current roster, so look up your old buddies, keep in touch with them and if their name isnt on there, tell them about the association.

I must again give a big thanks to the Security Service Credit Union for all their help in getting us started and sustained. If you see one of the SSFCU officers, please pass on your thanks. See you at the 7 May social. More next time.
Warm Regards

Bill Ballard

SOCIAL TIME AGAIN

Mark your calendar for seven May (Friday) and join good camaraderie at the Lackland AFB Officer's Club. Time 1800-2000 (plus) (thats 6-8PM for those who have forgotten). Dress casual. Bring your wife/husband or date. We will continue to collect one dollar per head tax (cant get the country out of me) to pay for cheese plates and various dips. There will be several pay as you-go- bars. Open to all members, potential members, future members and guests. We promise this one will give you plenty of time to socialize as we have no formal program set up. Spread the word.... and see you there!!!! Grover S. McMakin (Mac), 11422 Whisper Breeze, San Antonio, Tx. 78230, (512) 492-2661.

MEMBERSHIP CORNER--HELP

Your membership committee has about exhausted all their sources of former members to contact. We have mailed out almost 1000 personal invitations to join plus block saturation of Hq. ESC area, San Angelo and Washington DC area. About our only source left to locate eligibles is you-- our membership. Contact your buddies and encourage them to join or send us their name and address and we will send them an invitation. As of 15 April we have 525 members. How about each of you signing up one or more new members? We plan to start our CY 83 membership drive in November. To keep our dues on a calendar year basis we are reducing the \$10.00 1982 dues to \$5.00 for the rest of this year, beginning 1 June of this year. Thus everyone can start off equitably for CY 83. Our goal-- everyone get a new member and continue your participation in 1983. Buck Rogers.

ACTIVITIES CORNER

The board of directors has approved several projects to be supported by the association. Each project will be managed by subcommittees. The projects and chairpersons for each subcommittee are as follows:

Support of USAF Policy: Wade Firman; Support of ESC's Comfy Olympics and Outstanding airman program: Ed Barnes; USAFSS/ESC History program: George I. Mason; USAFSS/ESC Hall of Honor: James H. Macia; Naming of streets on security hill: William Deal.

Bill Deal's subcommittee is comprised of Bill Chapman, Jim Breedlove and Chuck Thurn. Association members who have an interest in any of these activities are encouraged to contact the chairperson and volunteer their services. Our organization's success is dependent upon the volunteer service of our members. Other activities will be developed as our association progresses. Max Giovannini.

PROFESSOR R.V.JONES BANQUET

On 20 April the ESC honored Professor R.V. Jones, Professor of Natural Philosophy, Aberdeen University, Scotland, at a banquet at the DTS club on Medina Base. Dr. Jones was responsible for scientific intelligence for the British Armed Forces between 1939-1946 and again between 1952-1954. He was an adviser to Winston Churchill during World War II. His writing on intelligence include "The Wizard War" which describes the development of scientific intelligence during World War II. His most recent publication is "Future Conflict and New Technology." The banquet was co-sponsored by the local chapter of the Old Crows and the Hq ESC Captains and Lieutenants council. Invited guest included distinguished civil, military and industrial leaders; members of ESC, the Old Crows and our Alumni association. Our association was privileged to participate in this event due to the outstanding liaison efforts of Wade Firman. Max Giovannini.

From the editor

Beginning on the overleaf is the master roster of our membership. As you can see, we've achieved some size. If your name or that of a friend is missing and should be on the roster, do something about it right now, while it's fresh in your mind.

In future issues, we would like to print capsules on individual units, moments of historical importance, reunions, etcetera. Your memories and pictures are requested. Snapshots will be returned if so requested. PLEASE HELP us make your newsletter outstanding. Penny Thole.
